God sees all of the circumstances of human history from eternity. God is outside of time and knows the end from the beginning, He therefore implements His desires in the present in order to accomplish the purposes of His will. We see present circumstances and respond according to what we think is best. The free choices that we make do not negate the fact that God is sovereignly accomplishing His purposes in the past, present, and future. God has ordained that our prayers and free choices will accomplish His eternal and immutable purposes.

Eph 1:11-12 - 11 In him we were also chosen, having been predestined according to the plan of him who works out everything in conformity with the purpose of his will, 12 in order that we, who were the first to hope in Christ, might be for the praise of his glory.

Acts 4:27-28 - 27 "For truly against Your holy Servant Jesus, whom You anointed, both Herod and Pontius Pilate, with the Gentiles and the people of Israel, were gathered together 28 to do whatever Your hand and Your purpose determined before to be done.

Isaiah 46:10 - 10 I make known the end from the beginning, from ancient times, what is still to come. I say: My purpose will stand, and I will do all that I please. NIV
